Geagte KVSA Lid

By ons laaste KVSA-kongres te UCT in Julie 2007, is toestemming verleen dat ek aan elke KVSA lid inligting kan verskaf oor die **SCHOLA SCRIPTA (SS)**-kursus van die Academia Latina.

Ingeslote vind u 'n brief aan die skoolhoof, 'n SS inskrywingsvorm en 'n plakkaat vir die skool se kennisgewingbord. Sal u asseblief so gaaf wees om hierdie inligting aan die hoof van enige Afrikaanse laer- of hoërskool van u keuse te besorg.

Daar is 'n merkbare groei in die getal inskrywings vir **SCHOLA SCRIPTA**. Met uitsondering van die laaste "Lectio" van SS IV, is die hele **SCHOLA SCRIPTA**-kursus herskryf, danksy die uitstekende werk van Judy Koekemoer. Dit is verblydend dat heelwat van hierdie leerders uiteindelik by een van ons universiteite vir Latyn inskryf.

By voorbaat hartlik dankie vir u hulp met betrekking tot bogenoemde versoek.

VIVIT LINGUA LATINA !

Vriendelike groete

Corrie Schumann

Dear CASA Member

During our previous CASA conference at UCT in July 2007, it has been approved that I could provide information on the SCHOLA SCRIPTA (SS) course of the Academia Latina to all CASA members.

Enclosed please find a letter to the school principal, a SS entry form and poster to be put up on the school's notice board. Will you please be so kind as to deliver or send this information to the headmaster/mistress of any English primary or secondary school of your choice.

We have lately experienced a notable increase in the number of entries for SCHOLA SCRIPTA. With the exception of the very last "Lectio" of SS IV all four modules of the course have been revised with due appreciation to Judy Koekemoer's devotion and hard work. It is encouraging that quite a number of these learners enter for a course in Latin at one of our universities.

We will sincerely appreciate your assistance in this regard.

VIVIT LINGUA LATINA !

Kind regards

Corrie Schumann
